

Free Rain Barrel & Stormwater Management Webinar

Receive a free rain barrel and learn to manage storm water on your property!

Rain Barrels:

- Reduce Water Pollution
- Reduce Local Flooding
- Provide Free Garden Water
- Save you Money

Attendees will learn about the problems associated with stormwater runoff, ways to conserve water in their homes, and watershed friendly landscaping techniques. The workshop will also cover the basics of how to install and maintain a rain barrel.

You must attend the webinar to pick-up a rain barrel. To promote social distancing, pick-up time slots will be offered every 30 minutes from 4 - 6 PM. A link to sign-up for one of the time slots will be provided with your registration confirmation.
